# FAMILIA TORRES

Born into a family of winegrowers from the Penedès, Jamie Torres immigrated to la Havana in Cuba in 1855 when he was sixteen against the wishes of his father. Over a fifteen-year period of hard work, he made a fortune trading wine and decided to return home with the dream of having his own family winery with his brother Miguel. After five Torres generations of determination and experience, the family name is among the top ambassadors of quality wines in key regions like Rias Baixas, Ribera del Duero, Rioja, Penedes and Costers del Segre. In fact, The Torres family has been named the "World Most Admired Wine Brand" by the British Magazine Drinks International in 2017 and again in 2018.
