Founded in 1808 in the little town of Train l'Hermitage in the Rhone Valley, M. Chapoutier winery is nowadays run by the 7th and 8th Generation of the same family. Among the pioneers in biodynamic farming of the French viticulture, it has over the years expanded out of its core region of origin, the Rhone, to explore new terroirs in Alsace, Roussillon, Provence and many others... but always with the same ideology.
